## What is Collins Big Cat Phonics For Letters And Sounds?

Collins Big Cat Phonics for Letters and Sounds is a systematic and engaging phonics reading programme that helps children to learn letters and sounds and develop early reading skills. The programme is based on the Letters and Sounds phonics scheme, which is the UK government's recommended approach to teaching phonics in schools.

Collins Big Cat Phonics for Letters and Sounds is divided into six phases, each of which focuses on a different set of letters and sounds. Phase 1

introduces children to the concept of phonemes and graphemes, and helps them to develop their listening and speaking skills. Phases 2 and 3 introduce children to the first 26 letters of the alphabet and their corresponding sounds. Phases 4 and 5 focus on blending and segmenting sounds to read and spell words, and Phase 6 introduces children to more complex phonics patterns.

### **What is Watch Out Nebit?**

Watch Out Nebit is a story within the Collins Big Cat Phonics for Letters and Sounds programme. The story is about a cat named Nebit who is always getting into trouble. In this story, Nebit is playing in the garden when he sees a bird. Nebit chases the bird, but he doesn't see the dog that is sleeping in the grass. Nebit trips over the dog and falls into a puddle of mud. The story is a fun and engaging way to teach children Phase 3 sounds.
