Of Mice and Men is a novella by John Steinbeck. It was first published in 1937 and tells the story of two migrant workers, George and Lennie, who travel together in search of work during the Great Depression. The story explores themes of friendship, loneliness, and the American Dream.

George is a small, wiry man with a sharp tongue. He is the brains of the duo, and he often has to protect Lennie from getting into trouble. Lennie is a large, gentle giant with a childlike mind. He is devoted to George, and he would do anything for him.

The two men dream of owning their own farm someday. They believe that if they can just save enough money, they can buy a small piece of land and live off the fat of the land. However, their dreams are constantly thwarted by their circumstances.

Of Mice and Men is a tragic story, but it is also a story of hope. It is a reminder that even in the darkest of times, there is always the possibility of friendship and redemption.

Characters

- **George Milton:** A small, wiry man with a sharp tongue. He is the brains of the duo, and he often has to protect Lennie from getting into trouble.
- **Lennie Small:** A large, gentle giant with a childlike mind. He is devoted to George, and he would do anything for him.
- **Curley:** The boss's son. He is a cruel and arrogant man who often picks on Lennie.
- **Curley's wife:** A beautiful and flirtatious woman. She is attracted to Lennie, and she often uses him to get what she wants.
