In *Tales of the End of the World*, editor John Joseph Adams has gathered together a collection of stories that explore the many different ways the world could end. From natural disasters to man-made catastrophes, these stories will keep you on the edge of your seat.

In "The Last Day" by Octavia Butler, a group of people struggle to survive in the aftermath of a nuclear war. In "The End of the Line" by Hugh Howey, a lone survivor of a global pandemic struggles to find meaning in a world that has been reduced to chaos.

These are just two of the many gripping stories in *Tales of the End of the World*. If you're a fan of apocalyptic fiction, or if you're just curious about

what the future might hold, then you won't want to miss this collection.

Prepare for the Future

The end of the world is a real possibility, and it's important to be prepared. *Tales of the End of the World* can help you do just that. By reading these stories, you'll gain a better understanding of the different ways the world could end and what you can do to survive.

Don't wait until it's too late. Free Download your copy of *Tales of the End of the World* today.

Available now on Our Book Library, Barnes & Noble, and other major retailers.
