

The Definitive Guide to London's Airports: Heathrow, Gatwick, Luton, Stansted, and City

London is a global hub for air travel, with five major airports serving the city. Heathrow, Gatwick, Luton, Stansted, and City airports all offer a variety of flights to destinations around the world. In this guide, we'll provide you with all the essential information you need to navigate London's airports, including:

- Airport locations and transportation options
- Terminal information and amenities
- Security and baggage claim procedures
- Tips for getting to and from the city center

Heathrow Airport (LHR)

Heathrow Airport is the busiest airport in the United Kingdom, and one of the busiest in the world. It is located about 14 miles west of central London. Heathrow has four terminals: Terminal 2, Terminal 3, Terminal 4, and Terminal 5. Terminal 5 is the newest and most modern terminal, and it is used by British Airways and its partner airlines.
