When their parents go out of town for the weekend, the Tapper Twins are left in charge of the house. But instead of spending their time wisely, they decide to declare war on each other. And thus begins a hilarious and heartwarming tale of sibling rivalry.

The twins use everything at their disposal to try and defeat each other, from water balloons to Nerf guns to even the family dog. But no matter what they do, they can't seem to gain the upper hand. In the end, they realize that they're better off working together than against each other.

The Tapper Twins Go To War With Each Other is a laugh-out-loud funny story about the unbreakable bond between siblings. It's perfect for fans of Diary of a Wimpy Kid and Big Nate.
