Wonder Woman is one of the most iconic superheroes in the world. She is a symbol of strength, courage, and compassion. Circe, on the other hand, is a powerful sorceress who has often used her magic for evil. In this issue, Circe has unleashed a spell that has turned the people of Metropolis into mindless slaves. Wonder Woman must stop Circe and save the city.

The battle between Wonder Woman and Circe is a clash of titans. Wonder Woman is a skilled warrior with superhuman strength and speed. Circe is a powerful sorceress who can control the elements and transform people into

animals. The two women are evenly matched, and the battle is sure to be fierce.

In addition to the main story, DC Super Heroes #80 also features a backup story starring Supergirl. In this story, Supergirl must stop a group of aliens who are trying to invade Earth. Supergirl is one of the most powerful superheroes in the world, and she is more than capable of handling this threat.

DC Super Heroes #80 is a great issue for fans of Wonder Woman, Circe, and Supergirl. The main story is an epic battle that will keep readers on the edge of their seats. The backup story is a fun and exciting adventure that showcases Supergirl's powers. Overall, DC Super Heroes #80 is a great issue that is sure to please fans of all ages.

Wonder Woman

Wonder Woman is one of the most iconic superheroes in the world. She is a symbol of strength, courage, and compassion. She was created by William Moulton Marston and Harry G. Peter in 1941, and she has since appeared in comics, television shows, and movies.

Wonder Woman is the daughter of Hippolyta, the queen of the Our Book Librarys. She was raised on the island of Themyscira, where she was trained to be a warrior. When she was 18 years old, she left Themyscira to fight for justice in the outside world.

Wonder Woman has a variety of superpowers, including superhuman strength, speed, and durability. She is also a skilled fighter and acrobat.

She is armed with a Lasso of Truth, which forces people to tell the truth, and a pair of indestructible bracelets.

Wonder Woman is a founding member of the Justice League of America. She has fought alongside Superman, Batman, and other heroes to save the world from evil.

Circe

Circe is a powerful sorceress who has often used her magic for evil. She was created by William Moulton Marston and Harry G. Peter in 1941, and she has since appeared in comics, television shows, and movies.

Circe is the daughter of Helios, the sun god. She was raised on the island of Aea, where she learned the art of magic. When she was young, she was banished from Aea for using her magic to turn her rivals into animals.

Circe is a powerful sorceress who can control the elements and transform people into animals. She is also a skilled illusionist and manipulator. She often uses her magic to lure men to her island, where she turns them into pigs or other animals.

Circe has been a thorn in the side of Wonder Woman for many years. She has often tried to use her magic to defeat Wonder Woman, but she has always failed. Wonder Woman is too powerful for Circe, and she will always be there to stop her.

Supergirl

Supergirl is a powerful superhero who is the cousin of Superman. She was created by Otto Binder and Al Plastino in 1959, and she has since appeared in comics, television shows, and movies.

Supergirl was born on the planet Krypton, but she was sent to Earth as a baby when Krypton was destroyed. She was raised by the Danvers family, and she grew up to become a superhero just like her cousin.

Supergirl has a variety of superpowers, including superhuman strength, speed, and durability. She can also fly and shoot heat beams from her eyes. She is a skilled fighter and acrobat, and she is always ready to fight for justice.

Supergirl is a founding member of the Legion of Super-Heroes. She has fought alongside Superman and other heroes to save the world from evil.

DC Super Heroes

DC Super Heroes is a comic book series published by DC Comics. The series features stories about some of the most iconic superheroes in the world, including Superman, Batman, Wonder Woman, and Green Lantern.

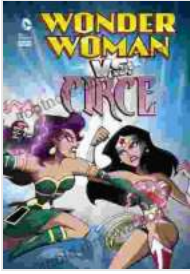

DC Super Heroes has been published for over 80 years, and it is one of the most popular comic book series in the world. The series has been adapted into several television shows and movies, and it continues to be a source of inspiration for fans of all ages.
